

## meant to be

bbno\$

You say you love me but you just wanna be friends with me  
You say you love me but your work took all your energy  
You never listen when I just need an apology  
I read our book, this chapter's closed and now we're history

You just took like 20,000 hours from my life, so  
I deleted all our pictures off my fucking drive, sorry  
Thank you for this song, you broke my heart and it's alright 'c  
ause  
If it's meant to be, it's meant to be

Right one, wrong time  
Today's a good day to say goodbye  
I was bad to you, you were worse to me  
But baby we just ain't meant to be  
Fool me once, fool me twice  
Shame on me for the last time  
I was bad to you, you were worse to me  
But baby we just ain't meant to be

Gave you all my love, and all my trust and my affection  
Sorry ain't enough and you seeked out way more attention  
We was playing games but we were sittin' different sections  
And now I got your stalker and he's cloudin' up my mentions

You just took like 20,000 hours from my life, so  
I deleted all our pictures off my fucking drive, sorry  
Thank you for this song, you broke my heart and it's alright 'c
