Text yo lady, asked for a combo but she's sending nudies  
Stay away from them ladies because I know they got the booty  
Hear your dick, not sure what I heard, I think its down like rudey  
Hair fall into your grillz cuz I know that they gettin moody  
Si si si si si si si, I gotta move it  
Imma shot my glock, I had to grab myself a new clip  
Ain't no cop except I had to drop a note with my lip  
Talk about that facial boy you know I had the fishy chips  
So I'm back in the bando no one candle hundred bando I'm cool  
Mixed like a sambo feel like a zambo girl up on that zoom  
Looking at who, looking at who, running at who, straight out the zoo, straigt out the zoo  
Do that again, ah yea, quick up wit chu?

Bodyrock em if they talking heavy  
Imma drop em, pop em if they fucking wit me  
Drift in my whip, you ain't shit in your whip  
I've been flipping and whippin the flick of the wrist  
Damn drinkin out the bottle I'm smoking ey  
Puffs in the air I'm chokin ey  
Puffs gon fill you I'm so great  
Sippin on henney goddamn its that taste  
I'm ridiculous I'm insane  
Fuck up with Nicholas I'm am Nick Cage  
Stuck in this hotel room all day  
Been to the west side been to the bay  
I don't need them insulting and in my way  
I'm the king of my home my necks ok  
I'ma get wit it then whip over bitty been rollin and rippin this shit to the face  
Mucho man yo I'm laxin ey  
Eat more ass than a pacman ey  
Making music my passion ey  
Flex your money I stash it ey  
Face the blunt I don't pass it ey  
Goin hard you are flaccid ey  
Little dick but I'm smashing ey

Dirty grin when I'm laughing ey ey
