bbno\$

This is young dicks-a-lot  
And I am confirming  
The fuck is this shit?  
Big money, big check  
I don't want no small checks, yeah

Big money, big checks, big thots, big chains  
Cold wrist, cold flow, cold bitch, new dope  
Pour more, 44, Marco, Polo  
LV, duffel, do you want trouble?  
On one, off one, ayy  
Everybody in the room want some, yeah  
On one, off one, ayy  
Holy shit, I really think I'm off one (bbno\$)

But I miss bitch, 'course I want a rich bitch  
Check it off my wish list, heard you want the business  
Balenciaga, Christmas, golden flaked fish sticks  
Rap game, Uma Thurman, ran a bag back like elastics  
Cornstarch on me, tryna thicken the bankroll  
Bbno\$, bitch, I'm monumental  
Makin' moves, I'm makin' static  
Got a check 'cause I'm an addict  
Mumble game is quite emphatic  
Ditched that girl, she too dramatic  
Tour the world, I be nomadic  
Wanna copy my schematic  
All my flows, they stay sporadic  
And my cash it tri-chromatic  
Got a text from your ex, sayin', "When we gonna sex?"  
Know I'm really not the best, so I bought some Triple Sec  
To give her only triple sec', and I'm like wait, wait, wait  
Are you sure you speakin' right?  
Are you off one, baby? (Uh)  
Baby's off one, baby's off one, bitch  
Baby's off one, baby's off one, bitch

Awesome, awesome, when is this droppin'?  
Way too easy, neck gold, freezie  
Raise a couple db, keep it on repeat  
How the fuck are we doin' today?  
Gum boots in the club, I'm makin' it rain  
Inhale, exhale, I do it again  
See your whole career, circlin' down the drain
