

# Pennies Up

bbno\$

Do I ever leave your mind  
Are you fully occupied  
By the time you spend, contemplating mine  
And how you wanna satisfy me

Breakfast with a bitch named Tiffany, huh  
Wrist game extinct, cause it's ivory, huh  
Got your mommy with me now, irony, huh  
Tryna pipe my dentist, fake a cavity, huh  
I got my pennies up and you withdrew  
I got my pennies up and you withdrew  
I got my pennies up and you withdrew  
I got my pennies up

So I'm center of attention and I'm in your girls mentions  
Might just have to pipe her, really sorry that it wasn't destined  
Made a couple banging smash hit tracks in a single session  
Never flex your cash where you got it stashed, learn your lesson  
If I'm finessing, then I'm rubbing in the thousand island dressing on the booty  
I'm sweet like tutti frutti  
She calling me big papa, but I ain't wear no Coogi  
Rather pipe a girl who be skilled at call of duty

Breakfast with a bitch named Tiffany, huh  
Wrist game extinct, cause it's ivory, huh  
Got your mommy with me now, irony, huh  
Tryna pipe my dentist, fake a cavity, huh  
I got my pennies up and you withdrew  
I got my pennies up and you withdrew  
I got my pennies up and you withdrew  
I got my pennies up

Do I ever leave your mind  
Are you fully occupied  
By the time you spend, contemplating mine  
And how you wanna satisfy me, uh  
When I don't even know you  
And you just going off my side you been exposed to  
I don't, I don't, I don't recall  
Providing you a means to call me

Breakfast with a bitch named Tiffany, huh  
Wrist game extinct, cause it's ivory, huh  
Got your mommy with me now, irony, huh  
Tryna pipe my dentist, fake a cavity, huh  
I got my pennies up and you withdrew  
I got my pennies up and you withdrew  
I got my pennies up and you withdrew  
I got my pennies up

I got my pennies up  
I got my pennies up and you withdrew  
I got my pennies up  
I got my pennies up and you withdrew  
I got my pennies up
