Y'all ain't gone get no money
Cause I don't got no money
And you ain't gone make no money
Cause if we don't got no money, nobody got no money
Know what I'm saying?

Big bad wolf, you a cry, you a pussy boy
New strap and a clip (huh)
I got brand new toys
Iced out, blinged out, flexing in some corduroys (skrr skrr)
I don't like your ploy
I don't like your ploy
Where your mama, she squirting
Money long, it need curtains
Woke up and I'm swerving

Why she mean to me?

Piping like I'm Mario (ooh)
Up, down, left, right (ching)
Woke up with cardio
Scurry boy, rest tight
Don't play with white flour, but I'm needing all of that dough (baker)
Don't play with me bitch, you know I'll melt you like the snow (bbno\$)

Pesticides, GMOs, fuck the lean, fuck the dro
