Label told me, "Write a pop song"  
I went, "Whoa-oh-oh"  
Girlie told me, "Buy that new purse"  
I said, "No-o-o"

Everybody seems so proud that I'm chartin' now  
And I don't know why but it seems that I'm uninterested

So I ditched my girl  
Finally felt right and I bought myself pearls  
Oh shit, I'm enthusiastic  
'Cause now I got rich and I'm glad this ain't a bit  
No way, don't care, won't do it your own way, na-na-na

I don't know why but it seems that I'm uninterested  
I'm so impressed with myself, you'll stay interested  
Uninterested

Sippin' Five Alive  
I'm glad I got some gin to pair  
All I got is time, I got a watch I always wear  
Cute girls on my side, I will not judge ya if you stare

I don't know why but it seems that I'm uninterested

400K straight to the bank, levitate  
Don't let my water still, only sippin' Perrier  
Do not rep chains, got a degree, lemonade  
Find me pipin' yoga thots 'cause I need to meditate  
She hit the downward dog  
She a champ, no pog

I don't know why but it seems that I'm uninterested  
I'm so impressed with myself, you'll stay interested  
Uninterested

Whoa, oh-oh  
Uninterested
