bbno\$

Thi- thi- thi- this shit goes way too hard

When I'm in the bando  
Honeys gon' call me  
Don't drive Lambo  
Dab with the tango  
When I'm in the bando  
40 on me like I feel like a rango  
Face iced out yeah I really like mayo  
Ugly thots lips look like-

Up in the stu' with a crew an' I got a new  
Bit' and she split it to two  
You be despicable  
Shit be so questionable  
Stuntin' on you like I'm Gru  
So many try hards in van an'  
I will just go throw them right all in my can  
Who are deez mans  
They come up to me and flex on me with all their bands  
But it's a couple of tens  
Wishin' that I could go cop up a benz  
Wish I could pipe up so some bandz  
Your lady wishing that I was her mans  
Finna go get in her pants  
Finna go juice up the same as the lance  
Finna go break into trance  
I think your 'bout go lose on your chance  
When I'm in the bando  
Honeys gon' call me  
Don't drive Lambo  
Dab with the tango  
When I'm in the bando  
40 on me like I feel like a rango  
Face iced out yeah I really like mayo  
Ugly thots lips look like them Pringles  
New girl really got me some all tingled  
Dodging all the other thots ye I got dingles  
When I'm in the bando  
Im'a put you on da grill  
'Uck a screwdriver  
Baby no money I feels just like drill  
Baby no money won't stop till a mil  
Bit think it cool gonna run up my till  
Bit gon' wonder why I don't wanna chill  
I am all seasoned now bitch you're dill  
Whale in this game now gimme some krill
