

sophisticated

Yeah

Whip be 007 like I'm sophisticated
Fit on me expensive, foreign fabrics, I'm sophisticated
My girl bad as hell, I wife that shit, she's so sophisticated
My life so sophisticated, huh, so sophisticated (Yeah, yeah)
Cavalry all black, my team stay escalated
Your shit way too dry, now taste this pussy, I stay marinated
My shit real big brain, you tryna copy, can't be imitated
I feel so sophisticated, huh, so sophisticated (bbno\$)

On my Bezos shit, this baby is the whole package
Sixteen flights, the tour is moving, no baggage
Collecting up a milli' from my own language
Philly Swift, that's a whole lotta damage
Ay, hits on hits, back-to-back
Life is good, this and that
Pay in cash, brand new house, a habitat
Play hardcore, no handicap
Fifty K's of "welcome" mats
And my washroom filled with plaques
Parents proud, not failing that, yeah

I'm the type of guy that stays window shopping at Tiffany's
I'm the guy that's always rewatching "Breakfast at Tiffany's"
I be eating real good off similes and epiphanies
Tour the world arena, shows thirty piece, that's a symphony

Yeah, this shit ironic (Yup)
Collecting coins like Sonic (Collecting)
Malibu, I'm eatin' wagyu, sipping gin and tonic
Honda with those spinners, drive until two with hydraulics (Skr)
All that primo shit, I'm slanting like italics
I save my money, yes I'm cheap
Cut my losses, more to keep
Y'all too dusty, more to sweep
Cop a Patek off the shelf, it's obsolete
I'm gon' practice what I preach
Learn your lesson, take a seat
Pussy boy, you NPC
