

First off please don't ask me how I did it
 Momma got me winning yeah I'm glad I ate my spinach
 I ain't that extra pockets always empty need a little extra
 If I gave up you could find myself like rotting in a lecture
 At the rate I'm going this baby is gonna be an adult next year
 Yes of course I know it when I'm in my thoughts I'd never show it
 But I'm working hard I'm losing sleep so yes I do enjoy it all
 Y'all like me for a reason so let me tell you a little something
 And I just did 7 shows, sold out the tour
 And my bank grows every time the bag is secured
 Whip a Range Rover speeding to the top let me steer
 It's getting near, it's getting near its in the clear, it's in the clear
 There's a big bad bag, by my feet, so I ran it up
 Make a little cash, from my deeds, hoping it enough
 Working on my craft, every week, never turnt up
 Banking on my luck, hoping I'll never get stuck

Baby only 'bout his gualla lady friend I'm sorry
 Baby make your favorite rapper look like shit I'm sorry
 Baby always killing shit I wonder if he's sorry
 I'm sorry, I'm sorry, I said I'm fucking sorry
 Baby only 'bout his gualla lady friend I'm sorry
 Baby make your favorite rapper look like shit I'm sorry
 Baby always killing shit I wonder if he's sorry
 I'm sorry, I'm sorry, I said I'm fucking sorry

Ya I did it for myself, heh, nobody else ya

I went to school I got that paper
 My mind is always on some paper
 Dodging all these calls from every single label
 I don't taper
 Double up my dose of jagger
 This industry is filled fakers
 Got the recipe like Martha
 Baby might just be a baker
 There's a science to it ya
 Making money made me quite a connoisseur man
 Flip 5 make a 50 still an amateur man
 Break her heart sew the bag I'm a saboteur man
 Finally hit 6 digits yea I hope this was the plan
 Lost some friendships on the way I hope you understand
 Go back to a 9 to 5 yeah fuck that I'll be damned
 Stay away from xan ego stable on the land
 Baby If you ain't about my grind then I don't fuck with you I'm sorry
 If you don't get why I do this shit well pussyboi I'm sorry
 If I left you all behind it's for a reason boy I'm sorry
 I'm sorry, I'm sorry, I'm really fucking sorry

Baby only 'bout his gualla lady friend I'm sorry
 Baby make your favorite rapper look like shit I'm sorry
 Baby always killing shit I wonder if he's sorry
 I'm sorry, I'm sorry, I said I'm fucking sorry
 Baby only 'bout his gualla lady friend I'm sorry
 Baby make your favorite rapper look like shit I'm sorry
 Baby always killing shit I wonder if he's sorry
 I'm sorry, I'm sorry, I said I'm fucking sorry
