Bùnéng hē dǎchē huí jiāgo the bed
I not rapstar I'm your daddy

Runway fashion I don't need a stylist
First name baby my last name highness
No breaks gas in her plugs like sinus
Funds up crazy Imma buy a little island

PMS SMD LFG stfu smd
I dress the best kiss your ex
She want sex I'm like next SOS

Aiiiiicarumba!
Big bag on the line
I don't fumble
She tryna wine n dine
I'm in trouble
Check my hair-a-line
Grey a couple
Blowed like dynamite

The only cheese ain't mine is queso
Foreign girls translated peso
Hey chief I'm it like halo
Baby no kimmel on TV cable

Paid my bale
Like I'm christian

Yes this man he's up to bat
Pitch and putt let's go relax
Touching butts and draining sacks
Say my name
I'm so frisky
Throw some dice you know I'm risky
Blow a bag I get it back
SOL now you mad!
