Money be

Fuck the bitch  
Quick to be grabbing my money nerf on my waist  
I'm not really about all of these enemies  
Just did a show and I shut it all down  
While I'm pouring on gravy on asses that are round  
Yeah - it's too easy, it's too easy  
Cash a couple top tokens, your lady friend too easy  
Turned a festi up and shit, performance way too easy  
Way too easy, way too easy, way too easy, way too easy  
Way too easy, why your girly tryna tease me, huh yea baby

It's like, way too, easy, huh
