

two

bbno\$

2, 4, 6, 8, who do we appreciate?
That's baby no money, he's always up to somethings

Baby no money got money, I'm a paradox
3 scoop creatine steam room equinox
3 bad thots giving me tricepatos
3 short kings in the squad like Eragorn

Ima take your chick like a thief in the night
You off, I'm on, it's the circle of life
Ima talk my shit, yeah I'm crossing a line
Yeah I'm b b n o one of a kind

Missed a zero, bro made a typo?
My girl got a girl, she a nympho
Ate too good, I think I need lypo
Pop 1 2 3 4 I'm a psycho

That's two
Commas in a million bucks
That's two
More than I'm giving in fucks
That's two
Shawties with them big ol butts
That's two
4 G auto sets on the truck

1 to the kidney, 2 the dome
That's left right left right left right go
Got a Rollie for the brunch and a Patek for the show
That's left right left right left right go

Got a big new body and I'll whip it like a pro
That's left right left right left right go
Got a great main chick and a real bad hoe
That's left right left right left right go

2, 4, 6, 8, who do we appreciate?
That's baby no money, he's always up to somethings
2, 4, 6, 8, who's that guy who really ate?
That's baby no money, he never leave 'em hungry

Outside stunting when the shine is sunning
With a sweet new honey like ouuuu lalala
Don't walk, I'm strutting, doing pingaz at bunnings
Yo man I'm sunning cuz I'm really that guy

Only on fats love cheese when keto
Pet my furr like a pussy cat pea coat
Funko pop that pussy like clicco
Dust on the table, ain't talking no cheeto

Bands on bands on bands on bands
Yeah I pay millions on my tax
Bands on bands on bands on bands
Bet on me that's a one step plan

Doing that doing that doing that dance
Shaking that jelly yeah shaking that jam
Taking a taking a taking advance
So much cash it'll put you in a trance

2, 4, 6, 8, who do we appreciate?
That's baby no money, he's always up to somethings
2, 4, 6, 8, who's that guy who really ate?
That's baby no money, he never leave 'em hungry

2, 4, 6, 8
That's left right left right left right go
2, 4, 6, 8
That's left right left right left right go

2, 4, 6, 8
That's left right left right left right go
2, 4, 6, 8
That's left right left right left right go
