

u mad!

bbno\$

Two bags
One day
Big balls
Pop off
No pills
Blue bills
Cha cha
Real smooth
Two cars
Two wrists
New house
Move quick
Move slick
Your bitch bad
I took her
Now you mad

Now you mad, bitch
Why you mad, bitch?
Yeah you mad, bitch
Why you mad, bitch?

(Bruh) At the party, way too many options
Couple thotties, you know gravy got 'em
Couple shit coins, you know that I bought 'em
She annoying, I won't even bother

Hit the rag
RPG the car (BOOM)
Bitch I'm walking home
Fuck that shit is far (Why I do that?)
How's it feel to make a millie every day? (Uh)
How's it feel to make a millie every minute, bitch!?
