Got these ladies runnin', runnin', runnin' back
Yeah, lately, I've been wonderin' where you at?
Yeah, I be icy, matter of a fact
Of course, I put the city on my back, huh, yeah
'Cause I'm obsessed with mula-la-la-la, yeah
Mula-la-la-la, yeah, mula-la-la-la
And I'm a baby, wah-wah-wah-wah-wah, yeah
Wah-wah-wah-wah-wah, yeah, wah-wah-wah-wah-wah

Had a girlfriend for a week
She spent my money, I don't wanna talk no more
I don't want a 10K fee
I need twenty, I don't wanna talk no more
Labels wanna talk too cheap
Well, I guess we ain't gon' talk no more
And baby's on a real high streak
So, I guess, I don't need stress no more
I used to say fuck, but now I say frick, so get off my dick
She asked for vitamin D, and I gave her vitamin C
She too damn thirsty (Yeah, yeah)
She kiss me, Hershey (Yeah, yeah)
I'm never givin' mercy (Yeah, yeah)
She suck me, curvy

I'm fine, I'm fine, I'm fine, I'm fine
When I'm countin' up these racks
Fuck tags, I've been countin' up these stacks

Got these ladies runnin', runnin', runnin' back
Yeah, lately, I've been wonderin' where you at?
Yeah, I be icy, matter of a fact
Of course, I put the city on my back, huh, yeah
'Cause I'm obsessed with mula-la-la-la, yeah
Mula-la-la-la, yeah, mula-la-la-la
And I'm a baby, wah-wah-wah-wah-wah, yeah
Wah-wah-wah-wah-wah, yeah, wah-wah-wah-wah-wah

Check the price, fuck it, I won't check the price
Wait a minute, I don't know
Wait a minute, I got more, let's spend some more
You made a mess, wah-wah-wah, you made a mess
You spilled my money everywhere
Somebody go grab a bag, let's fill the bag
One, two, three, four, five, six, seven, eight
Nine, ten, yeah, this baby can count
I give so few fucks, and I'm sorry 'bout that
But I'll give you this amount
You play default, I got skins
World of Warcraft, Paladin
I'm a good guy, baby no sin
My diamonds fake, zirconium

I'm fine, I'm fine, I'm fine, I'm fine
When I'm countin' up these racks
Fuck tags, I've been countin' up these stacks

Got these ladies runnin', runnin', runnin' back
