bbno\$

Nerf strap, booth packed, ten set, don't fret, block wet yeah (block wet yeah)

That's bet, no sweat, fuck a debt, screw a threat, Imma bet yeah (pew pew pew pew)

You're mad at me for what reason like what I do

I must've blacked out last night damn, like what I do

Your paycheck lookin' oh so low like whatchu do

Your girl be playin' my songs damn like what she do

Two drinks, two shots, too many thots

Brain runnin, game changin', still playin hot

Cold tick tock, nerf pop, sucka got rocked

Dark lip, wit a bih, bathroom quick

Grab my stick, you're a tick, extermination quick

Big butt, small dog, god damn I'm bustin quick

Hit a spliff, save a lick, I'm shoppin' at the thrift

Like what I do

Like what I do

Nerf strap, booth packed, ten set, don't fret, block wet yeah (block wet yeah)

That's bet, no sweat, fuck a debt, screw a threat, Imma bet yeah (pew pew pew pew)

You're mad at me for what reason like what I do

I must've blacked out last night damn, like what I do

Your paycheck lookin' oh so low like whatchu do

Your girl be playin' my songs damn like what she do

Rain drop, drop top tell that lil hoe don't stop

I fucked her in the parking lot, but not before she gave me top

1, 2, 3, 4, made that lil bitch my whore

I tie her up like hardcore and you know she beg for more

A, b, c, d, that's just what she want from me

That's what I gave your bitch as she was rollin' off the ecstas y

Green, yellow, blue, red, shawty I just want some head

So let me put it down your neck and then let's lay up in my bed

Nerf strap, booth packed, ten set, don't fret, block wet yeah (block wet yeah)

That's bet, no sweat, fuck a debt, screw a threat, Imma bet yeah (pew pew pew pew)
