

(Twerk, twerk, twerk, twerk, ayy, huh)  
(Tha-that shi... that shit banging)

I like too when your girl want my nob  
I got plenty in my cup, yeah come and crack 'em up  
I like too, yeah, being with your bitch  
While I'm runnin' on the shit, but I did not want no kid  
Get it too, want a bitch that be blue  
Yeah, like what you wanna do  
Yeah, like what you wanna do

Run up b...  
What you wanna do?  
Yeah, like what you wanna do?  
Run up bi-bi-bi, what you wanna do?  
Yeah like wha-wha-wha-wha-wha  
Yeah, being with your bitch  
What you wanna do?  
Want a bitch that be blue  
Yeah, like what you wanna do?  
I did not want a kid  
Run up, run up  
Yeah, like what you wanna do?

I'm a baby, and I'm broke, and I get that  
Mommy told me 'bout the money, how I get that  
Once I get that figure couple check desk  
Hit her in a minute, it's because I'm runnin' bitches  
Flexin' in a twelve minute, neck be cold  
Gotta stay away from me, I'm 'bout to blow  
Sleepin' at your mommy's house, how'd you know?  
Yo bbno\$

Yeah, like what you tryna do?  
My finger got a couple jewels  
You're crusty cause you use shampoo  
I got my pennies up and you withdrew  
I might just take your mommy to a zoo  
She a nut, I might just hit her with the screw  
Sussy boy, like what the fuck you gonna do?  
What you gonna do? What you tryna do?  
Why you crying to your mommy?  
Don't you know that she is quite a thottie  
And her mouth is potty  
Might just grab a bag, spend it on the clothes  
Even if I'm at the thrift, I always check the tags  
Sprinkle couple diamonds in my eggs, now I'm really eating  
Baby got some money, sussy boy, you're the one that's cheating  
Why we be competing? Do you want a beating  
40 cent wrist on my wrist, wait, when was the business meeting?  
Wait, business meeting?  
Don't you really think this baby's kinda overeating?  
What you gonna do, I got your momma feeding

What you wanna do?  
What you wanna do?  
What you wanna do?

What you wanna do?  
What you wanna do? Yeah  
(BBJuelz)

Skrr, skrr, skrr
