

Day 2 Day

BBY KODIE

Yea

Hating hoes always average
And that's something I'm okay with
Y'all niggas always want static
And it's all funny 'til that case hit
Y'all niggas not on my team
I know these niggas so mad they gotta face it (yeah)
And my low tier hoe wears CELINE
And I know her boyfriend mad and he hates it

Got his hoe 'round my wrist like a bracelet (yeah)
Pink toes in the back tryna face it (ugh)
And why are hating hoes so basic
Plotting? See your comment, hoe, and I erased it (yeah)
And these hoes taking notes like a waitress (yeah)
While her boyfriend dodgin' out the Matrix (ha)
Why are broke niggas so tasteless
I can't see a broke nigga hatin' need a [?] (yeah)
Need my hoes top tier
Y'all still fuckin' on the [?] hoes
I put my hoes in gear (yeah)
And you're still broke, wearing all the same clothes
Remember I was broke last year
Now my money don't fit in my Balmain, hoe
And why are y'all niggas so weird
[?] respond to your text why he call that hoe
Instagram thots be the same though
And I learned to spot me a lame hoe
I'm dishin' out the dirt like Draino
And I got a thot in every city that you stay, bro
