BBY KODIE

Stunt duh, stunt duh, stunt duh
Back on road
Just like I never left
I'm working this hoe with my left
Shooting this shit like I'm Steph
Today simple
Designer you couldn't even guess
You get it? Bitch
I talk just like my name Flex
These ho's a flex
Don't talk to these ho's I lose breath
He not in the game he a ref
Just like high school I'ma step, step step
All you little pussy boys next
These niggas hating cause I'm next
Kodie came up just to flex
A pretty young nigga
Me and my momma is twins
I called her and told her
I was rich she went copped a Benz
She won't even let me get in
I thought we was cool
Hopping outside of this Wraith
A palace inside of my place
2018 I'ma skate
These niggas hate cause they fake
I love myself so damn much
I went and took myself on a goddamn date
Ordering shrimp and steak
Pasta on the side while a ho fed me grapes
I feel like Prince
When I step inside this bitch
2018 exotic cars
I'm only driving exotic shit
Okay lil ho
You thinking ho's is Shia LeBeouf
Working hard I'm going in
These niggas hate I'm riling up
I'm wild'n out, I'm turning up
Getting guap, shutting up
Shut it up or run it up
Get your bucks the fuck up
Duh!
