BBY KODIE

Blow exotic, she fuckin' for some fame, she might as well fuck
for profit
If you gon' fuck an ugly nigga, might as well fuck his pockets
She said every time she look in my eyes she see the tropics

I told that lil hoe "stop it, you're way too kind"
"Can I blow this back with you 'fore I change my mind?"
She said "I heard you was a dog," I left that life behind
She said she wanna see me ball, just don't waste her time
I told her "I'm sorry I missed your call, I was on my grind"
I'm tryna ball like Pau Gasol, she ain't on my mind
She tryna fuck over the call but I hit decline
I'm out here bossin' up on hoes, I had to redesign (every time)
