

## Started This

BBY KODIE

Yeah

Uh

And I got the Lamb out front  
They don't want us outside 'cause we always stunt  
No matter what a hater say  
I been told y'all that I started this  
I been told y'all that I started this  
'Cause I been a man since the jump  
Never seen a critic 'cause they banned where I'm from  
So no matter what a hater say  
They been told you that I started this  
They been told you that I started this

So if I let y'all tell it  
Y'all prolly kick the boy out the game, no credit  
Y'all prolly call the young boy a lame and then spread it  
It's a fifty-fifty chance I'ma catch ya if you said it  
And my nigga said a hunnid, if I throw the body he'll catch it  
I don't give him time 'cause he'll stretch it  
And I got a stretcher wit' yo name on it if you fuck niggas wanna add  
ress it  
I hope you fuck niggas stop pressin'  
Don't even press play on that beat, nigga, just to diss me and get pr  
essured  
I'll really do something extra

And I got the Lamb out front  
They don't want us outside 'cause we always stunt  
No matter what a hater say  
I been told y'all that I started this  
I been told y'all that I started this  
'Cause I been a man since the jump  
Never seen a critic 'cause they banned where I'm from  
So no matter what a hater say  
They been told you that I started this  
They been told you that I started this

Shawty better say her worth  
To make this paper work  
I mean I get paid to work  
And my shawty get paid to twerk  
And y'all niggas been fake since birth  
I don't even wanna talk to y'all  
And let my bitches tell it  
Y'all niggas hoes they wouldn't slut walk wit' yall  
And y'all niggas fantasizin'  
I like to do shit  
White interior, white Ferrari 'cause it's a cool whip  
Alaskan hoe, cool bitch I like to cool wit'  
And its a fifty-fifty chance she let the crew hit
