

Stretch

BBY KODIE

Yea

Uh

Looking forward to the stretch

Imma pull on all you fuck niggas

Back stabbed too many times so I can't trust niggas

I can't even stress how y'all can't fuck with us

The first Time be the last time and that shit still got stuck with us

Aye

Come try yo hand at this my jewels is hot like cannabis

Handoff from my jeweler damn near burnt my fucking hands n shit

Black murder phantom shit

Pearls in my amulet

Burnt like a candle tip

Fuck you mean a stretch

Just put a whole chandelier around my neck

I just put my whole fucking family on a jet

I just paid my whole fucking family another check

Summer 2021

I'm looking forward to the stretch

Imma pull on all you fuck niggas

Back stabbed too many times so I can't trust niggas

I can't even stress how y'all can't fuck with us

The last time was the first Time and this time it stuck with us

Let's go

RDB matte black rover match my Richard Mille

She a freak I'm elite

Something that the bitches feel

She so fleek Patek Phillipe

The only thing on her that's real

You so weak

You called her over why that bitch still sitting still

And I just put a whole chandelier on that bitches neck

And I just put my whole damn family on a fucking jet

And I just got a fucking check

Y'all niggas peeped my numbers

Then y'all niggas broke a fucking sweat

I'm Looking forward to the fucking stretch

Imma pull on all you fuck niggas

Back stabbed too many times so I can't trust niggas

I can't even stress how y'all can't fuck with us

The first Time be the last time and that shit still got stuck with us

Aye Yea

I'm looking forward to the stretch while y'all been stretching stories

This shit getting out of hand this shit getting over played

Ya'll niggas is over aged

Y'all got me fucked up tryna tell me the shit that I'm supposed to say

Ya'll niggas been rode the wave

Y'all niggas on a stolen wave

I might have to show the way

But y'all kids ya'll supposed to play

So imma let my sons be my sons

My hoes be my hoes

Keep my problems down and my head high and just pray to God this shit goes

From the concrete I arose

When the sun shine he grows
And I still can't wait to see the day that y'all niggas steal my hoes

Y'all fuck niggas wouldn't know
I'm the proudest nigga y'all know
I'm a prodigy and y'all know
Just got a call half a million on the table and I just might let it go

Summer take o-
Yea shouldn't have to tell you that it's
(Over)
Now the boy turning threat he a soldier
Prolly got the whole fucking set on his shoulder

And I'm willing to bet that imma be the greatest when this shit
