Now you in a ditch  
Muthafucka made my heart cold, my heart cold

Blood all on my face let me dissociate, meditate  
Cocaine on a paper plate, spirit on obsidian  
Got me feelin' free again  
Do I dump this nigga in a river? Do I leave him here?  
Fuck it, I'ma burn this bitch down, I'ma disappear

Money in the duffle, grab my babies and get outta here
