

I'm drunk, I'm drunk, I'm drunk
I'm fucked up, wait
What in the fuck is this in my cup? Wait
Pass me the blunt, stop fucking up the rotations
Stop changing the fucking stations on my radio, radio

Last thing I remember, Fiji water and Emojo
Last thing I remember, Fiji water and Emojo
Last thing I remember, Fiji water and Emojo
Fiji water and Emojo
Fiji water and Emojo

Last thing I remember, Fiji water and Emojo
Last thing I remember, Fiji water and Emojo
Last thing I remember, Fiji water and Emojo

Yeah
I'm drunk, I'm drunk, I'm drunk
I'm fucked up, wait
Who mixed the vodka with the coke
I done smoked too many blunts
Vision blurry, bouta choke, eyes low
Don't know if I'm nappin' quick or dying slow
I'm riding though
With a hot white bitch and I swear she look' like Sailor Moon
We was bouta jump the broom but they said it's illegal
So I fuck her everyday
Except the day when she bleeding
And I never leave her 'til she get' to acting like she need' me
Now he text me like "emoji pistol whip", bitch I'ma kill you
You know what a real nigga done been through
Please, don't kill my vibe
Please, don't blow my high
Don't need no advice
I just need directions to the turn up, baby, roll up

Last thing I remember, Fiji water and Emojo
Last thing I remember, Fiji water and Emojo
Last thing I remember, Fiji water and Emojo
Fiji water and Emojo
Fiji water and Emojo

Last thing I remember, Fiji water and Emojo
Last thing I remember, Fiji water and Emojo
Last thing I remember, Fiji water and Emojo
