

Flabbergasted

BbyMutha

I'm who these niggas wish they was
You lack emotional intelligence
I'm still a thug
Still a nigga
Still a threat
I'm still on hella drugs
Still uh uber to yo bitch and make her fall in love
You don't wanna see me power up
I'm dangerous
They say I do too fuckin much
And I don't give a fuck
Cause they don't do enough
They want it quick, fast, in a hurry
Now they buried
On the outside lookin in
Like fuck a friend
You wasn't shit to me
Apparently
Do me how they do me
Hoe you ain't no better
You moved niggas out the way
So you could do whatever
You can't look me in my face
How I let these goofy hoes up in my space?
I ain't trippin, hoe I'm living
I could never be replaced
Bitch

Fuck that bitch
Fuck that nigga
Fuck whoever love em

Fuck that bitch
Fuck that nigga
Fuck whoever love em

I'm who the fuck ya'll wanna be
I let it ride
I just sell my drugs and smoke my weed
Don't pay attention to the bullshit
That they bump with me
They up under me
They can't fuck with me
I'm like a bumblebee
How I'm buzzin with my cuzzin
Keep a gun on me
Let her suck on me
She say come for me
I give her nothin
Even tho I got a lump on me
Just fuck her face
And give her space
That's all she want from me
Fuck yo songs
Fuck yo thot
Fuck yo videos
Niggas weird they be flexin

But they really broke
Keep on postin all that shit on insta
And for christmas
We gon suit up like the grinch
And we stealin those
Bitch

Fuck that bitch
Fuck that nigga
Fuck whoever love em

Fuck that bitch
Fuck that nigga
Fuck whoever love em
