Gimme Dat

BbyMutha

Mommy you so cute

Xanax give me bad dreams
I don't wanna lose you
I be in my feelings over shit you prolly won't do
I hate it, I need you
Love it when you touch me
He like how my pussy get to droolin' when he fuck me
I'ma look you dead off in the eye and tell you, "Nut in me"
I'ma hit the corner with that fye
That shit ain't nun to me
Keep my nigga happy, he return it
That ain't luck to me
Niggas come and go, but shit
I hope this nigga stuck with me
Bust it, bend it over, spread it
Send it over, SMS
Late night conversations and vacations
Fuck away the stress
Blunts all in rotation, moon is full
We runnin' through a stack
Never tell him no, he pick a hole
And I just throw it back
Gimme dat

Gimme dat, gimme dat, gimme dat, gimme dat
Gimme dat, gimme dat, gimme dat, gimme dat
Gimme dat, gimme dat, gimme dat, gimme dat
Gimme dat, gimme dat, gimme dat, gimme dat

Gimme dat, gimme dat, gimme dat, gimme dat
Gimme dat, gimme dat, gimme dat, gimme dat
Gimme dat, gimme dat, gimme dat, gimme dat
Gimme dat, gimme dat, gimme dat, gimme dat

Sorry I'm so emo, youon know what I been through
I be in my feelings over shit you prolly won't do
All I know is I like you
All I know is you my boo
All I know is I'll shoot you

He know what he got, I guess
He know mutha hot, I guess
Hope he don't get tired of me
Hope he know he fuckin' blessed
Hope he know them other bitches good
But I'm the fuckin' best
Real nigga in me know it's subjective
Love is like a deadly weapon
He like, "AK-47"
I'm like, "Please, don't shoot me down"
Ion like feeling so open
Cue the music, she's a clown
Yeah, welcome to my circus
If you hurt me, it's a freak show
Off with bitches heads, all I see is red
