Run his pockets, he joggin'  
It's 6am, I ain't callin' him  
Murder murder I body him  
Steamin', pipin', hot toddie him  
The honey too sticky  
Rollin' up, I'mma shop it  
I'm too fly to let 'em finish  
I'm a menace to society  
He know he don't speak unless he spoken to, I up the fee  
Woe is me, I can't keep these fuck niggas away from me  
He buggin', left his love for me  
I flipped it, bought the truck for me  
Oopsie, I'm in traffic  
Bout to crash it, off the acid  
Bastard tape, I'm bout to blast it  
Anthem anthem, it's a classic  
Toot my horn, pull over, gas it  
Bust it, lick it, flick it (ash 'em)  
Let him lick the cat to hell and back  
We surfin', squirtin', splashin'  
Moshin', mop 'em, make 'em  
Get it, flip it, stack it  
Hustle culture over with, I'm focused on my magic, yeah  
Wanna make a baby, but this Earth a little tragic  
Yeah I'm black as fuck, I'm actin' up  
I'm proud to be a bastard, yeah

Yeah, head and shoulders (head and shoulders)  
Knees and toes (knees and toes)  
Head and shoulders (head and shoulders)  
Knees and toes (knees and toes)  
Head and shoulders (bitch)  
Yeah, knees and toes  
Yeah, head and shoulders
