BbyMutha

Yeah, I'm tryna put this pussy on a crip nigga, up under the blood moon
Let him verify the pussy as long as the checks blue, yeah
Mister wavy baby, heard you lookin' for a art hoe
Paint all on my face, he think he Van Gough
I'm feelin' submissive so I do it how he say so
We body to body, he my baby for the night
Only light we need is lighters for the roll up
Hol' up, pull yo phone out
Don't forget the flashes up, we 'bout to make a Grindhouse
I been on ya mind, you been on mine, you know it
I want yo sweat all down my spine, you want some wine, I pour it
We blow it down, he beat it up, it's 'bout four in the mornin'
Don't hit my line, I gotta go, I guess I'll see you when I see you nigga

You know I had to tell this nigga not to quit his day job
'Cause this pussy come alive in the nighttime
Don't take it personal and don't be losin' sleep
'Cause you gon' need that energy for when you see me
You know I had to tell this nigga not to quit his day job
'Cause this pussy come alive in the nighttime
Don't take it personal and don't be losin' sleep
'Cause you gon' need that energy for when you see me, yeah

He in his feelings 'bout some pussy, look at him
He wanna cuddle undercover, had to tell him skedaddle
I only want it when I want it, you should really respect it
Ain't no shade, I'm on a mission and I'm tryna protect ya
I ain't gon' blast ya on the internet, I really respect ya
But I ain't ya average fuck and you can't pick when I bless ya
It ain't you, it's really me, I know where you wanna be
I know what you wanna do but you gotta follow the rules
Or you gon' lose and don't nobody like a loser
Coldest pussy out, he like to kick it in the cooler
Ion really blame him, bitch, I'm bby-fuckin'-mutha
Virgo motherfucker better bring a double rubber little nigga

You know I had to tell this nigga not to quit his day job
'Cause this pussy come alive in the nighttime
Don't take it personal and don't be losin' sleep
'Cause you gon' need that energy for when you see me
You know I had to tell this nigga not to quit his day job
'Cause this pussy come alive in the nighttime
Don't take it personal and don't be losin' sleep
'Cause you gon' need that energy for when you see me, yeah

They're so aggressive

I... either way, this has to be... maybe it doesn't

And then, I have to figure out how to smoke this or I have to figure out how
to hide it
'Cause I have to go to Austria in the morning

That's the... oh...
