

mutha massacre

BbyMutha

Yeah, yeah, yeah

Mutha massacre

Keep a butterfly up on my side, like a passenger
Slash a nigga tires, now he actin' like he sick of her
Now I'm making crazy, but you made, should've listened huh
Now you stupid hoes ain't got a choice, I'm like a missile huh
Blowing up and blowing bitches off, I need a whistle huh
Hex a nigga down, it's giving witch collecting crystals huh
Fuck a nigga flexin', you can't keep up with my mental nah
Hard to give a fuck when you that bitch

They callin' me a killer
They callin' me a killer
They callin' me a killer
They callin' me a killer
They callin' me a killer
(I got) killer looks, killer body, killer ass
They callin' me a killer
Killer lights, killer nigga, killer cash
They callin' me a killer
Killer looks, killer body, killer ass
They callin' me a killer
Killer lights, killer nigga, killer cash
They callin' me a killer

Mutha massacre

Know a couple niggas wanna kill me, with a challenger
Went against the gangster, now it's death all in your calendar
Make your legacy a horror movie, I'm that action
Sorry if I'm coming off too bitchy, I hate wastin' time
I ain't pressed to kick it with bitches, I be like nevermind
Cash out on my wrist, I got 'em pissed, my time is so divine
I been feelin' Godly, I'm ascending, watchin' hoes decline
Hard to give a fuck when you that bitch

They callin' me a killer
They callin' me a killer
They callin' me a killer
They callin' me a killer
(I got) killer looks, killer body, killer ass
They callin' me a killer
Killer lights, killer nigga, killer cash
They callin' me a killer
Killer looks, killer body, killer ass
They callin' me a killer
Killer lights, killer nigga, killer cash

Callin' me a killer, cut the lights and start the music
Drag a nigga balls across the halls, they found him Saturday
Slit a cracker throat, might leave a note and have a daiquiri
Catch me if you can, I'm getting everybody back okay
Callin' me a killer, cut the lights and start the music
Drag a nigga balls across the halls, they found him Saturday
Slit a cracker throat, might leave a note and have a daiquiri
Catch me if you can, I'm getting everybody back okay

They callin' me a killer
They callin' me a killer
They callin' me a killer
They callin' me a killer
They callin' me a killer
(I got) killer looks, killer body, killer ass
They callin' me a killer
Killer lights, killer nigga, killer cash
They callin' me a killer
Killer looks, killer body, killer ass
They callin' me a killer
Killer lights, killer nigga, killer cash
They callin' me a killer, bitch!
