Gettin money, I promise  
I feel like losing my empathy  
Give a fuck what they talking bout  
You's a hoe, I'm the enemy  
Pussy sweeter than fruity loops  
Touch the sky, do the hula hoop

He on me, ok  
She tweaking? cool

Told myself too many twice  
Ain't no winning when you nice  
Ain't no losing when a hoe owe you in blood  
I'm set for life  
Yea  
Fresh as fuck, I pull up lookin like a sacrifice  
Yea  
Crown of thorns  
Let's make a porn  
This drip will save ya life
