

## Nice Guy

BbyMutha

But I'ma sing this song to get out ya way  
Summer Dregs let's go  
I know, I know, you a nice guy, yeah

Good guy, stay fly  
On pye on crip, big dick how dare I, yeah  
Say no to a nigga like you  
Must be one of them new hoes  
Ole feminism quote in the bio  
This my pussy, I can do what I want  
Flewed out, moved up ass freak hoes  
Hell yeah, pussy ass nigga, that's who I be  
B-B to the Y 'til I D-I-E  
Last time I checked, you was checkin' for me  
Yeen ballin' if ya stallin' on my vaginal fee  
Beep beep, vroom vroom get the fuck out me car  
Can't buy me love, better buy me the bar  
Better luck next time, I ain't change my mind  
If I meet a nice guy I bite  
Bitch

I know, I know, you a nice guy  
Yeah, huh, but I'm a bad bitch  
So what, so what, you a nice guy  
Yeah, huh, but I'm a bad bitch  
I know, I know, you a nice guy  
Yeah, huh, but I'm a bad bitch  
So what, so what, you a nice guy  
Yeah, huh, but I'm a bad bitch

Y'all can come out here  
Laugh, joke around and record me  
Put me on the blogs  
But I'm here to let you know that God is in the mirror!

Oh, you a nice guy, do you want a cookie?  
I don't give a fuck, you ain't messin' with no rookie  
No newbie, you couldn't do me even if you had a check  
I wouldn't be with you even if you was at my beck and  
Call, nice guys don't finish at all  
'Cause nice guys don't ever get they dick out they drawls  
You wanna take me to five guys for burgers and fries but  
You got five guys in front of you, in a line  
Baby take a number, it ain't my celly though  
You want a down brown chick like Kelly Row  
But you a clown ass nigga like Penny, broke  
You ain't shit, don't know what you smelly fo'  
Ew, go wash up  
You wanna bond with me, go and get your stocks up  
Time, that's money, gotta make a good investment  
I need me a nigga these niggas know not to mess with  
Period

I know, I know, you a nice guy  
Yeah, huh, but I'm a bad bitch  
So what, so what, you a nice guy  
Yeah, huh, but I'm a bad bitch

I know, I know, you a nice guy  
Yeah, huh, but I'm a bad bitch  
So what, so what, you a nice guy  
Yeah, huh, but I'm a bad bitch

Every time I spit, blessings come on you  
You want me to spit again, I'll spit again  
You want me to yell again, I'll yell again
