BbyMutha

Why pay for PR when bitches is hatin?  
I'm leanin back like I'm stuck in the matrix  
Check after check, oh my goodness  
I'm gracious  
Pull out a look  
I put looks on they faces  
I like my coke extra white like a racist  
I like my dick on demand  
I'm impatient  
Don't got no license  
So why would I race?  
You ain't my issue  
So get off my page  
I'm at the spot with my strap  
On a rich nigga forehead  
He want my lovin  
But I want some mo head  
She want attention  
But I want some mo bread  
Glock for my opp in my telly  
They both red  
Yea  
Fuck what a hoe said  
Call me the queen  
Then its off with a hoe head  
Yea  
Squash it then wash it  
Get back to rappin  
A goon to a goblin  
Mobbin  
I suck at math  
But I'm better at robbin  
He can't get close to the pussy  
He slobbin  
This ain't no titty  
Lil bitch its a breast  
If they ain't swangin  
I ain't too impressed  
I like em ghetto my main bitch the best  
She let me lick it whenever I'm stressed  
I'm so important  
And you so depressed  
Send her some butta  
And wish her the best

Fuck what it cost  
Rent money on my lip gloss  
Itty bitty  
I'm a big boss  
Fucked her nigga  
Now she pissed off  
Big ol booty  
And that bitch soft  
Wait let me clear my throat

Swangin that iron  
I don't play golf

Throwin money got em pissed off  
Yea
