

Mommy you so cute
Say it one more time

They done passed a bitch a blunt
Cause they know what's up

Losing sleep I can't afford to lose
But he don't give a fuck
He be laying up with other hoes

I told him if I catch him with that bitch I gotta [?]

I got me and all my bitches on the highway, riding
Tryna find my nigga and his other bitch, sliding
Me and all my bitches on the highway, riding
Bitchin' bout my nigga and his other bitch, sliding

We gone act a donkey on this monkey and her mom and them
Ima act a fool, that's what you take me for
I open the door, I let niggas slide, I let niggas in
How I'm just a friend? I be sucking swallowing
I do all the favors all the love labors

I be on they neck like run this money now and never later
Even let you put it in my ass you coulda masturbated
Now you out here dickin' back with other ladies

Tryna find my nigga and his other bitch, sliding
Me and all my bitches on the highway, riding
Bitchin' bout my nigga and his other bitch, sliding

I got me and all my bitches on the highway, riding
Tryna find my nigga and his other bitch, sliding
Me and all my bitches on the highway, riding
Bitchin' bout my nigga and his other bitch, sliding

Riding past your momma house
Ion't mean no disrespect
I can't even lie, my bitches been ready to break your neck
They ain't tied to you
They tie they shoes and take they earrings out
If I catch my name up in her mouth she get a second round
Hands on, put your pants on, I got moves to make
Fuck up out my face, up out my living space, you just a waste
I can't waste my waist, my thighs, my time, and all my energy
Tryna keep a nigga who not just for me
Lose her if you lose her cause its cheaper just to keep her
I'll admit that I'm a movie but I don't come with a sequel, nah
Running to my people then I really wish you well
They gon run up in your spot and I'ma see that that's in hell, yeah
Why you gotta lie about a bitch
Ain't no secrets boy it's been a while
I am not a child and boy them fairy tales just ain't my style
Happily ever after turns to better after all

I be wishing I ain't need you when I don't if I can't have it all

I got me and all my bitches on the highway, riding
Tryna find my nigga and his other bitch, sliding
Me and all my bitches on the highway, riding
Bitchin' bout my nigga and his other bitch, sliding

I got me and all my bitches on the highway, riding
Tryna find my nigga and his other bitch, sliding
Me and all my bitches on the highway, riding
Bitchin' bout my nigga and his other bitch, sliding
