I'm the devils daughter  
I might pull up with my burner  
You a grower, I'm a shower  
I'm the teacher, get to learning  
I'm so extra  
I'm so pleasant  
Pussy petals pink and rosy  
I ain't gotta kiss and tell  
Bitches nosy, think they know me  
Actin like I ain't important  
I'm a planet, you a local bitch  
Rock a hater like a louboutin  
Since you a bloody bitch  
Bitches don't be cute  
They just be light skinned  
Bitches don't be shit  
Without they weave in  
Bitches buggin me  
I call the bug man  
Shooters like exterminators  
Birdman  
What the fuck done happened to that boy  
She lookin hurt it wasn't worth it  
I'm still deep off in my birkin  
You still acting like a virgin  
You the straightest bitch alive  
And steady worried bout my pussy  
I don't have them type of problems  
You create em for yourself  
Tired of killing hoes with kindness  
Now I'm stabbin em to death  
Hoe I'm licensed I been sewing every track  
Seal every weft  
He was deep off in this pussy  
My shit better for his health bitch
