BbyMutha

Yea yea yea  
I'm a hot bitch  
9 times outta 10 you underneath  
And imma top bitch  
Bitches think they wet  
I got a check  
And bought a mop bitch  
I'm an urban legend  
You barely a trending topic  
Goofy  
Got the bitches gossipin  
Dick in ya mouth  
You swallowin  
Me and my bitches hollerin  
We know you ain't bout it  
Keep it cute  
If you gangsta keep it gangsta  
And find you somethin to do  
I'm excited  
I been itchin to find a reason to shoot  
I'm ready  
Let's make a movie  
I'm shroomin  
I'm feelin groovy  
I pop a bitch  
Watch her shake it and bubble like a jacuzzi  
Washin these bitches  
Wipe em  
I do my mutha-ly duties  
I'm at the house with your daddy  
I'm finna give him some booty, yea

U don't walk like me  
U don't talk like me  
U ain't built like me  
U ain't real like me  
Yea

U don't walk like me  
U don't talk like me  
U ain't built like me  
U ain't real like me  
Yea

The block is hot  
My toes is toasty  
I'm a stylish bitch  
These niggas know they can't approach me  
I don't need a coach  
I need a bigger bag of weed to smoke  
Need a freak to choke  
Need my money when I hit the door  
You don't want no problems  
Yea I feel ya  
You was late for class  
I watch bitches fail  
And burn in hell

I'm kinda hard to pass

Oops my bad

Excuse me damn

I'm finna shit on you

Please don't take it personal

That's jus the way my bowels move

I know I was chosen

Bitch it ain't no cameras rollin

I could end ya life tonight

And go cook breakfast in the morning

Ya'll was beefing

I was yawning

You was hating

I was horny

Guess she needed inspiration

For her instagram story

You disgust me
