I'm skating off on you bitches
I'll take it off for my nigga
My finger stay on the trigger
They jealous my dick is bigger
Hotter, I'm like go figure
Hit it, I ain't no quitter
I'm squattin, I'm on the shitter
I'm clickin a bigger picture
Watch me pop and break it off
Bitches mad I'm taking off
Try to put me in a bad position
Hmm I'm still a boss
Still the hardest with the saw
Still the big see lil dog
Still a skater see ya later
Tony Hawkin all my haters
