

Triangles

BbyMutha

I should talk shit right here
You not shit, your mama not shit, your daddy not shit
For fuckin ya mama and having an ain't shit baby, bitch
Fuck y'all hoes
(Mama! You look like a rockstar!)

Bitch what's wrong with you?
Can't catch no dick, lil' ugly bitch, what's Gucci boo?
I been doing me lil' bitch, your best bet would be doing you
You ain't got no shit to shoot, you lucky I ain't shoot at you
Ain't talkin' 'bout photographers, got shooters like a camera crew (uh, uh, yeah)
Easy kinda sleazy bitch, I'm slutty, nutty buddy
And yet you still haven't fucked me
You not making enough money
You cannot afford the kitty
Saggy titties, diamonds in it
I don't pop it till he spend it
He ain't broke so I'mma bend it bitch
Run it up, she suck it up like honey nut
Love a bitch who love to fuck, I call her my lil' honey nut
Pretty bitch, she mean as fuck, I got her - now she levelled up
Don't ask me 'bout what's in my cup unless you see me throwin' up
Hate it Mutha blowin' up, but ask me if I give a fuck
They motherfuckin' tails is tucked
What's poppin' bitch, start speaking up
The internet'll make you tough, but pussy is you pullin' up?
Posted up on Sheridan, I'm swangin' my Gorilla nuts
Adrenaline and Double Dutches
Witchy bitch, ain't scared of nothing
Show up at your funeral in Gucci, Fendi, Prada, diamonds, dollars
Fuck yo' hoe, yo' baby daddy in the ass all on your casket
Rot in pieces, shitty bitch, I told you I'm a bad bitch

Never think you not the type of pussy that can get fucked
Strapping on my dick, I drop it off just like a dump truck
Drop it on your bitch, I want to Jared with them big bucks
You a square, yo hoe like it triangular, so catch up
Never think you not the type of pussy that can get fucked
Strapping on my dick, I drop it out just like a dump truck
Drop it on your bitch, I want to Jared with them big bucks
You a square, yo hoe like it triangular, so catch up

Who is all these hoes? Act like they know me, I don't know you
You just mention me for clout, but I'm that bitch so you supposed to
Glad to know they learnt they place, now they know what to do and don't do
If you stay my favourite hater I might fuck around and flaunt you
I-I-I'm that bitch they love to watch, they love to stalk, these niggas want
I'ont got a number, I'ont answer calls, but if money talkin' then I'm on the phone
I'm the prototype, these bitches clones
Beef with me and put bitches on
Y'all notice me, I don't notice y'all
But I will come and see you headstone
Never think a bitch too cute to come and push your shit back
Bitch you stupid if you think I gave a fuck, what made you think that?
Why these niggas in they feelings? I don't get that, but I get cash

I'm a boss, he buy me jewels and pay my bills, he buy you knick-knacks
I'm too bougie, you can't sit with me, lil' bitch shut up and sit back
Sending shots - that means you lose, don't let me link up with my hitman
You the type of pussy that gon' get fucked, bitch just give up
While you making sure you watch me you should make sure you don't slip up

Never think you not the type of pussy that can get fucked
Strapping on my dick, I drop it off just like a dump truck
Drop it on your bitch, I want to Jared with them big bucks
You a square, yo hoe like it triangulr, so catch up
Never think you not the type of pussy that can get fucked
Strapping on my dick, I drop it off just like a dump truck
Drop it on your bitch, I want to Jared with them big bucks
You a square, yo hoe like it triangular, so catch up
