

Bunk Trunk Skunk

Be Your Own Pet

I am an independent mother fucker

I am an independent mother fucker

And I'm here to take your money

I'm waking round and I'm here

To steal away your virginity

(2x)

Give me everything I'll break up your limbs and I'll

Put you in a trunk and take you around the world

Think you're really cool cos of my lies

And I love you so much, so you better love me!

(2x)
