You don't need me  
As much as I need you  
As much as I need you  
Take it or leave it  
'Cause you know that's the truth  
'Cause you know that's the truth

I know you thought it was just us  
I didn't think you'd fall in love  
You're just a warm body to hold  
At night when I'm feeling all alone

I don't want to, yeah, yeah (I didn't mean that, that thing I said last night, it was)  
I don't want to, yeah, yeah (I don't know what happened)  
I don't want to, yeah, yeah (I have this thing where I, I can't really be by myself)  
I don't want to, yeah, yeah (But look)

Called you for the last time  
I need to be with you  
I need to be with you  
Saw you in a dream last night  
You looked like a ghost  
You looked like a ghost

I know you thought it was just us  
I didn't think you'd fall in love  
You're just a warm body to hold  
At night when I'm feeling all alone  
I know you thought it was just us  
I didn't think you'd fall in love  
You're just a warm body to hold  
At night when I'm feeling all alone  
I know you thought it was just us  
I didn't think you'd fall in love  
You're just a warm body to hold  
At night when I'm feeling all alone  
(You don't) I know you thought it was just us  
(Need me) I didn't think you'd fall in love  
(As much as I need you) You're just a warm body to hold  
(As much as I need you) At night when I'm feeling all alone

I don't want to, yeah, yeah  
I don't want to, yeah, yeah  
I don't want to, yeah, yeah  
I don't want to, yeah, yeah
