

Dance with Me

beabadoobee

If you wanna dance then
Dance with me
It's pretty fast but
This is what you do at parties, right?

And I know it's hard to tell
But I think I really like you

Just take it slow
And move your feet to the beat
'Cause if we dance then
You don't have to speak

And I know it's hard to tell
But I think I really like you
