

# If You Want To

beabadoobee

If you wanna take me  
Go ahead and try my head  
Experience is nothing compared to  
The sleep paralysis in my bed  
If you wanna love me  
Try to get inside my brain  
Experience is nothing compared to  
The nights I'm always up so late

Bed bugs in my mind  
Keep them all alive  
Insomnia creeps at night  
Sleep paralysis till I die  
Die

'Cause if you want, you could stay with me in my bed  
If you want to, only if you want to  
If you want, you could go ahead and fix my head  
If you want to, only if you want to

If you wanted to  
If you try to

Wishing I still had my dreams  
Late night started, take up space  
'Cause every time I try to remember  
Lack of sleep takes half my brain

Bed bugs in my mind  
Keep them all alive  
Insomnia creeps at night  
Sleep paralysis till I die  
Die

'Cause if you want, you could stay with me in my bed  
If you want to, only if you want to  
If you want, you could go ahead and fix my head  
If you want to, only if you want to  
Use some pesticides and throw it in my brain  
If you want to, only if you want to  
Bed bugs keep me up at night and I'm going insane  
If they try to, only if they try to

If you wanted to  
If you try to

'Cause if you want, you could stay with me in my bed  
If you want to, only if you want to  
If you want, you could go ahead and fix my head  
If you want to, only if you want to  
Use some pesticides and throw it in my brain  
If you want to, only if you want to  
Bed bugs keep me up at night and I'm going insane  
If they try to, only if they try to
