

# Sorry

beabadoobee

Sad I had to see you  
But I don't and I won't and I won't  
To think I was just like you  
All alone skin to bone, skin to bone

And it hurts me  
That you could be the one that deserved this  
Even more  
That you stayed in the same dark place that I adore  
But you stayed for more  
I guess that's what happens to the best of us  
The best of us

I hope to come and see you  
When your state's doing great, doing great  
A part of me feels for you  
That I'm doing alright and guess I've been feeling fine

But it hurts me  
That you could be the one that deserved this  
Even more  
That you stayed in the same dark place that I adore  
But you stayed for more  
I guess that's what happens to the best of us  
The best of us

I never want to think twice  
With what could have been your life

And I'm sorry  
I'm sorry  
I'm sorry  
I'm sorry

And it hurts me  
That you could be the one that deserved this  
Even more  
That you stayed in the same dark place that I adore  
But you stayed for more  
I guess that's what happens to the best of us  
The best of us

And I'm sorry  
I'm sorry  
I'm sorry  
I'm sorry
