

# The Moon Song

beabadoobee

I'm lyin' on the moon  
My dear, I'll be there soon  
It's a quiet, starry place  
Time's were swallowed up  
In space, we're here, a million miles away

There's things I wish I knew  
There's no thing I'd keep from you  
It's a dark and shiny place  
But with you, my dear  
I'm safe and we're a million miles away

We're lyin' on the moon  
It's a perfect afternoon  
Your shadow follows me all day  
Making sure that I'm okay  
And we're a million miles away
