

# Chasin' The Sky

Beach Boys

Ooo oo oo oo oo  
Ooo oo oo oo oo

I never had the key to happiness  
I got no bed of roses, I confess  
But I'm doin' all right  
I got the sun all day and the moon all night

Chasin' the sky  
A-waitin' for my ship to come in  
Chasin' the sky  
Knowing that luck is a lady  
Goin' just a little bit crazy  
I've been chasin' the sky

Floating down the river of my dreams  
A-keepin' my cool, whatever that means  
With the current so strong  
To be sure, I'll keep hanging on

Chasin' the sky  
Waitin' for my ship to come in  
Chasin' the sky  
Knowing that luck is a lady  
I'm goin' just a little bit crazy  
I've been chasin' the sky

Oh-oh, I've been chasin' the sky  
I can't deny  
It's true that time is wastin'  
Why watch it fly  
When all I want to do is chase the sky?

Oh oh, oh oh  
Oh oh, oh oh  
Oh oh oh oh oh, ah ah

Knowin' that luck is a lady, ah ah  
I've been goin' just a little bit crazy  
Chasin' the sky

Oh oh  
I've been chasin' the sky-y  
Oh oh  
I've been chasin' the sky  
Knowin' that luck is a la-a-lady  
Oh yeah-ah  
I'm goin' a little bit, just a little bit crazy  
Oo oo oo mmm

(Oo oo chasin' the sky)  
(Oo oo chasin' the sky)
