

Drip Drop

Beach Boys

Hey, the roof is leakin' and the rain's fallin' on my head
I said the roof is leakin' and the rain's fallin' on my head
Cried so hard, teardrops all on my bed

On the roof
On the wall
On the floor
On the wall (ah-hah)
Well, I cried so hard, teardrops on my bed

Well, I packed up m'bags and I head out on the midnight train
She packed up her bags and she head out on the midnight train
Cried so hard, teardrops all on my bed

On the wall
And on the floor
On the rug
And on the floor
Cried so hard, teardrops on my bed

Let's go, m-f-er!

On the wall
On the floor
On the floor
And on the floor
Cried so hard, teardrops on my bed, yeah

Let's go, m-f-er!
Yeah!
Go on, get my car
Try!
Yeah!
I'll punch 'em
I got 'em in
Nice
Once

On the wall
Cried so hard, teardrops on my bed

Come on, m-f-ers!

On the wall
Let's go on the floor
On every old wall
Sure, it's so bright
Cried so hard
