

Hang On To Your Ego

Beach Boys

I know so many people who think they can do it alone
They isolate their heads and stay in their safety zones

Now what can you tell them
And what can you say that won't make them defensive

Hang on to your ego
Hang on, but I know that you're gonna lose the fight

They come on like their peaceful
But inside they're so uptight
They trip through the day
And waste all their thoughts at night

Now how can I say it
And how can I come on
When I know I'm guilty

Hang on to your ego
Hang on, but I know that you're gonna lose the fight

Now how can I say it
And how can I come on
When I know I'm guilty

So hang on to your ego
Hang on, but I know that you're gonna lose the fight
