

# I'm Begging You Please

Beach Boys

Baby, oh baby  
You've taken somethin' away from me  
Oh baby, oh baby  
Somehow you've gone astray from me  
Woo-oo-oo-oo  
Woo-oo-oo-oo

You stopped givin' me what I wanted for so long  
And without you baby, life's not so easy and somethin' is wrong

Say you miss the way it used to be  
Say you'll make it happen somehow  
Say you'll take a chance on love again  
Without endin' up with a broken heart again

I mean it this time  
I'm beggin' you with all my hear-ar-ar-art

I'm beggin' you please, please  
Please, my darlin'  
I'm beggin' you please, please  
Please, my darlin'  
I'm beggin' you please
