

I'm Goin' Your Way

Beach Boys

(Let's do this one for our divorce lawyers)
(Mark it!)
(One, two)
(Pick up those sticks!)
(One, two, three...)

I'm goin' your way
Can I give you a ride
I always knew our paths would coincide
Before I picked you up I was a stranger
No no no, there ain't no danger
C'mon I wanna slide here

We're on the same ride
The California slide
C'mon c'mon we'll go heat up inside
You're my little girl and I'll let you ride
C'mon c'mon there ain't no reason to hide
Ooooooh

I have to tell you
It's a new world everyday
I'm gonna show you
What a good world every way

We're on the same ride
The California slide
C'mon c'mon we'll go heat up inside
Oooooh oooooh
California slide
