

## Kiss Me, Baby (Stereo)

Beach Boys

Please, don't let me argue anymore  
I won't make you worry like before  
Can't remember what we fought about  
Late, late last night, we said it was over  
But I remember when we thought it out  
We both had a broken heart

Whoa, baby, kiss me, kiss me  
Kiss me, baby  
Whoa, baby, kiss me, kiss me  
Love to hold you  
Whoa, baby, kiss me, kiss me, whoa, baby  
Kiss me, baby, love to hold you

As I drove away, I felt a tear  
It hit me, I was losing someone dear  
Told my folks I would be alright  
Tossed and I turned, my head was so heavy  
Then I wondered as it got light  
Were you still awake like me?

Whoa, baby, kiss me, kiss me  
Kiss me, baby  
Whoa, baby, kiss me, kiss me  
Love to hold you  
Whoa, baby, kiss me, kiss me, whoa, baby  
Kiss me baby, love to hold you tight

Whoa, baby, kiss me, kiss me  
Kiss me, baby  
Whoa, baby, kiss me, kiss me  
Love to hold you  
Whoa, baby, kiss me, kiss me  
Kiss me, baby  
Whoa, baby, kiss me, kiss me  
Love to hold you  
Whoa, baby, kiss me, kiss me  
Kiss me, baby  
Whoa, baby, kiss me, kiss me  
Love to hold you
