

Let's Go Trippin'

Beach Boys

Alright, right now
Everytime we've been here
We've asked you to do one thing for us
And that, that one thing is to help us out
And yell something
Alright
And the thing we want you to yell
Three words "let's go trippin'"
We want you to yell out on the count of three ok?
One, Two, Two-and-a-half, Three
Let's go trippin'!
Yeah, baby!

Instrumental

Thank you
Thank you very much
