Beach Boys

Lines, lines around the block  
Oh, lines  
Now the clock is striking 7:30  
Ooh, lines  
Lines around the block  
Lines, now the clock is striking 8

Walk in, sit down  
Previews of the coming show  
Now the movie's starting  
Oh, the movie's starting kinda slow  
But it'll get better

Oh, there's a scene with these two  
Oh, he's gonna get her love

He's gonna tell her  
She's gonna tell him, too  
He's gonna tell her, baby
